duty, retired, former, and National Guard and Reserve officers, and surviving spouses, of all ranks and branches who serve or have served, as well as their family members.

MOAA advocates with Congress, DoD, the VA, Department of Homeland Security (DHS), and other departments to preserve and protect earned benefits for our uniformed services, veterans, their families, and surviving spouses through advocacy, leadership, education, and service, fulfilling MOAA's promise to "Never Stop Serving."

MOAA supports two charities, one that provides scholarships to children of uniformed service members and one that prevents and protects all currently and previously serving veterans and their families from crisis.

BENEFITS OF JOINING THE NATIONAL MILITARY OFFICERS ASSOCIATION OF AMERICA

MOAA's greatest mission is to improve the lives of those who serve and their families, which is achieved largely through the tireless advocacy efforts taking place in our nation's capital. MOAA's experts in Washington are there to support legislation that benefits the military community and are equally vigilant when fighting to stop legislation that threatens our livelihood. The larger our numbers, the greater our voice.

ANNUAL MEETING

MOAA WNY participates in a mid-year and annual Council of Chapters meetings hosted by various chapters throughout the state.

Our Chapter's biggest impact is with our Federal "Advocacy in Action" Program with Congressional and Senatorial staffs. We are active at the county, state, and national levels, ensuring your voice is heard. Every year, we are instructed to advocate for three national actions chosen by the National MOAA. Fortunately, we have great relationships with our federal officials and find their support encouraging.
